

Evolutionary Applications

Open Access

Evolutionary approaches to environmental, biomedical and socio-economic issues

European Society for Evolutionary Biology (ESEB) MEMBER DISCOUNT OFFER

<http://www.evolutionaryapplications.org/>

Evolutionary Applications is a fully peer reviewed open access journal. It publishes papers that utilize concepts from evolutionary biology to address biological questions of health, social and economic relevance.

All articles published by *Evolutionary Applications* are fully open access: immediately freely available to read, download and share. To cover the cost of publishing, *Evolutionary Applications* charges a publication fee.

Authors who are individual members of the ESEB are eligible for a 10% discount when they submit and publish an article in *Evolutionary Applications*. The usual price for publishing in the open access journal is \$1,950 / £1,270 / €1,480– you pay just \$1,755 / £1,143 / €1,332. To qualify for the society member discount the corresponding author must be an active member in good standing. To take advantage of this special offer simply enter: **Society Member Account Code: ESEBP** when presented with payment options when submitting to the journal. [Submit now!](#)
