

Women in Evolution

Monday, 29th of May 2017

Venue: PRBB, Dr Aiguader, 88. Barcelona

9:30 am **Arrival**

9:35 am **Inaugural speech**

Tomàs Marqués-Bonet, Director Institute of Evolutionary Biology

9:45 am **Welcome speech**

Diversity Committee of the Institute of Evolutionary Biology

10:00 am **Heart positioning in vertebrates: The evolution of a right-handed molecular pathway**

Ángela Nieto, Instituto de Neurociencias, CSIC-UMH, Spain

10:50 am **Coffee break**

11:10 am **Fossils, Genes, & Teeth: The Evolution of the Primate Dentition**

Leslea Hlusko, University of California Berkeley, US

12:00 pm **Eco-evo-devo: shaping phenotypic variation and diversification**

Patricia Beldade, University of Toulouse, France

12:50 pm **Lunch (not provided)**

15:00 pm **EMBO and Women in Science: awareness and consequences**

Gerlind Wallon, European Molecular Biology Organization

15:40 pm **Science Publishing & Gender - are we all equal in the editors' & reviewers' eyes?**

Magdalena Skipper, Altius Inst. for Biomedical Sciences, US

16:20 **Open discussion**

17:30 **Closing Remarks**
